## The Greenwich Yardstick Trophy – Continued Handicap Results Despite Changing Handicap .

This trophy was donated by Bob Campbell-Burns, past club President (1979–81) and is correctly named after his Thunderbird yacht **Greenwitch**. It is awarded to a yacht which has defied a changing handicap throughout the season and has continued to gain handicap places. It was first awarded in the 1975 - 76 season jointly to **Julie**, J Gilfillan and **Lenore** L Henry.

Greenwich Yardstick Trophy is determined by subtracting each yacht's lowest handicap in the Spring and Autumn Saturday Series from the yacht's next handicap and then multiplying the result by the yacht's score after discards in the Overall Series and a 'p' factor for weighting divisions based on the average fleet sizes (see Balmain and Allan and Mick York 'p' factor calculations).
