**INTENTION TO RACE:** please enter your boats details in "Topyacht" which is accessed via the GFS website.

## IMPORTANT INFORMATION & SPECIAL CONDITIONS

1. Remember the ISAF Fundamental Rule 4: "The responsibility for a boat's decision to race or to *continue* racing is hers alone".

### 2. For a yacht to be eligible to race:

Her owner must:

- a. Be a Family/Full Member, financial for the current season.
- b. Provide to the Club, proof of sufficient Third Party Liability cover on the boat. This cover to be for a *minimum* of \$10 million;
- c. Have had the yacht successfully audited to comply with RRS 2009-2010 Special Regulations Equipment Category 7, the appropriate Waterways requirements and any special GFS requirements. Class boats must comply with their class requirements.

### 3. Be Good Neighbours:

☞ **Parking:** GFS asks that you are courteous and exercise consideration for the neighbours when you use the very limited parking available in Bay Street.

Members or their guests are not allowed to park in the area beside or behind the clubhouse. This area is needed as a turning circle by:

- a. Emergency Services (the life they save may be yours); and
- b. Local Bay Street residents—it is their street after all!!

☞ **Noise:** When leaving the premises, please have consideration for others and keep any noise to a minimum;

☞ **Duty Rosters:** GFS is a voluntary, self-help sailing club. **If you race Saturdays and/or Twilights**, your boat can be rostered for **Saturday Start Duty and/or Twilight Duty Crew**. Both duties require the **Skipper and at least two Crew**, be present for that duty.

### 4. Your Contact & Family Details:

Details are required for the YA data base. **Your Contact Details** may be shared with other members of GFS and may be used by officials of GFS to contact you with regard to imparting Club information, Duty Rosters, etc. These details will not be passed by GFS to any other organisation or person other than those named above.
