The Balmain and Allan Trophy was donated by local grocers Balmain and Allan who had a shop on Greenwich Road. The inaugural winner in 1926 was the 12ft skiff Sydney, Billy Barnett. By winning the trophy twice in succession in 1936 - 1937 and 1937 - 1938, Cromdale, Laurie Mitchell won the trophy outright. It was returned to the club in the early nineties and since then has been awarded to the best performing boat in the Twilight Fleet.

Greenwich Yardstick Trophy – Continued Handicap Results Despite Changing Handicap .

This trophy was donated by Bob Campbell-Burns, past club President (1979–81) and is correctly named after his Thunderbird yacht Greenwich. It is awarded to a yacht which has defied a changing handicap throughout the season and has continued to gain handicap places. It was first awarded in the 1975 - 76 season jointly to Julie, J Gilfillan and Lenore L Henry.

Greenwich Yardstick Trophy is determined by subtracting each yacht's lowest handicap in the Spring and Autumn Saturday Series from the yacht's next handicap and then multiplying the result by the yacht's score after discards in the Overall Series and a 'p' factor for weighting divisions based on the average fleet sizes (see Balmain and Allan and Mick York 'p' factor calculations.
