

Duty Roster - as of October 3rd, 2025

GFS Twilight Series 2025-26

DEAR TWILIGHT SKIPPERS

Please see the Duty Roster below. We have generated this list by cycling through the fleet alphabetically, starting from wherever we finished last season, to share the the load as fairly as we can.

1. You will need *at least* 2 people. For Christmas and for the last race of the season, we roster 2 crews.
2. If you can't be available on your allocated night, please swap with someone else on the list.
and then make sure you let the Twilight Captain, Ken Gibson, know.
(Ken is at: 0407 906 085; kenwgibson@gmail.com; twilightcaptain@gfs.org.au)
3. This roster will made be available on the GFS website, but without your contact details
4. A list of duties is attached, and available at the club - you can read it on the night

Race	Date	Sail No	Boat	Skipper
------	------	---------	------	---------

5	Reserve 5	2679	Myuna III	Jaime Parima

Duty Crew - List of Duties

GFS Twilight Series 2025-26

OVERVIEW: The Duty Crew ensures that the Clubhouse is left tidy and clean after Twilights. **You will need to stay until the end, to ensure everything is clean, stowed and locked.** If there are a few hangers-on' then once everything is stowed you can ask one of them to lock up for you.

THERE ARE 5 TASKS:

- 1) HELP CATERERS** Meet the caterers. Ask if there is anything special they need help with. They can show you the **duty roster box** which has the cleaning products in it that you will need.
- 2) CLEAN BBQS**
 - (a) Scrape, clean and stow BBQs. Please ensure the fat is removed - clean them whilst they are hot
 - (b) Store Gas Bottles back in the cages on the rigging deck. Store empty bottles upside down
 - (c) Lock the cages. The key to the smaller cage is in the key lockbox in the kitchen
- 3) STACK TABLES AND CHAIRS** Members should stack their own tables and chairs, but you can help and ensure chairs are in stacks **no more than 16 high**, that the **stacks are 3 deep** and that they are **not across the rear door**.
- 4) STOW ALL EQUIPMENT**
 - (a) Empty and rinse Counter bins
 - (b) Return the 4 GFS green bins and 3 blue bins to the rigging deck
 - (c) Stow the flag and furl the outside blind
 - (4) Stow the club dinghy after the tables are stowed.

DO NOT bring in the Council bin located on the eastern side of the wharf
- 5) STOW ALL EQUIPMENT**
 - (a) Check the Sailing Office to ensure windows, blinds and door closed
 - (b) Turn off the ceiling fan in the kitchen (Switch - at the end of the kitchen bench near the pantry door)
 - (c) Lock entrance gate to rigging deck
 - (d) Close and lock all 3 clubhouse doors
 - (e) Turn off Rigging Deck Lights:

The lights are located beside the fridge near the rigging deck doors, above the afloat magazines. **Turn off the 4 lights marked 'Switch' - circled in the picture. Do NOT turn off the switches marked 'LEAVE'**

Switches to the left of the fridge

- (f) Turn off all six light switches by the exit door next to the alarm
- (g) Activate the alarm

If you are unfamiliar with the duties on the night, please ask Ken Gibson (Twilight Captain), Rob Hale (Clubhouse Manager), Glenda Cameron-Strange or any other GFS Committee members. We'll be happy to help. Suggestions welcome! Please email to twilightcaptain@gfs.org.au
